Dear Parent/Caregivers,

Yinnar Primary School is looking forward to another great year of teaching and learning and would like to advise you of Yinnar Primary's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support as this has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to enhance our digital learning opportunities, purchase class and home reading materials and maths resources as well as assist with upgrades to our grounds and additions to the playground.

Please find the optional items / activities for all grade levels attached. If you wish to make any voluntary contributions, the office will be open **Wednesday 22nd January from 8am – 5.30pm.**

The Yinnar Primary School Council approves all voluntary contributions.

The government pays for teacher salaries, limited building maintenance, administration costs and some curriculum costs. The school endeavors to purchase good quality learning materials in bulk at a reasonable cost. Teachers have elected to make reasonable purchases in the student 'book box' for student use in the classroom.
